

Ricki A. Asher

339 East Mithoff Street Columbus, Ohio 43123 || asher_r1@denison.edu || (614) 915-7472

EDUCATION:

Denison University

Granville, Ohio

Environmental Studies Major, Geoscience Minor (Bachelor's Degree)

May 2019

Four-year degree with intensive studies in Environmental Studies with a particular focus on sustainability and the implementation of those practices. Excelled in senior project creating a pilot curbside composting plan for the Village of Granville along with working on their 2019 Comprehensive Plan, which allowed me to establish strong relationships with city leaders and planners to promote sustainable practices.

Relevant Skills:

- Proficient in GIS Mapping
- Technical Report Writing
- Environmental Consulting
- Sustainability
- Fluent in Adobe Creative Suite and MS Office
- Phase I and Phase II Environmental Assessments
- Environmental Sampling
- Environmental Policy

HONORS:
